- Monitors herd health of all animals
- Treat animals with minor injuries or illnesses as they occur
- Gives vaccinations and other injections
- Assists with calving
- Performs artificial insemination and pregnancy checks
- Maintains comprehensive health and production records
- Works closely with the veterinarian during examinations

### Preferred Qualifications:

- Experience working with cattle
- Ability to work in a team and lead projects
- Passion for animal care and husbandry

### Physical requirements of the job:

- Lift 50 pounds
- Work in heights
- Willing to operate heavy machinery
- Interact with cattle
- Be around dust, dirt, and animals
- Work in cold and hot weather

**Salary and Benefits:**

- Salary depends on experience and location
- Health insurance options available
- Vacation and PTO
- Housing options available depending on location
- Safety glasses, aprons, boots, face shields, and gloves and workwear provided

There are multiple opportunities for career advancement with us. We are an experienced farming team who value training and knowledge. Additionally, we have good relations with our vendors who help provide classroom and on farm training.
